- Glass bows and imperfections with tolerance according to Australian Standards AS2208-1996

## Care of your Civic Product

### Cleaning & Maintenance

#### Shower Screens:

We recommend using NFK Glass Cleaner. Follow directions as outlined on the product.

Alternatively, a 50/50 solution of white vinegar and water. Spray on your glass and leave for several minutes, then wipe down with a damp microfibre cloth. For best results rinse the shower screen with plain water when you're finished and dry using a rubber squeegee or soft dry cloth.

We recommend using a squeegee to wipe down your shower after every use to help reduce the build-up of soap-scum and mineral deposits.

Under no circumstances should harsh cleaners, alkaline solutions, blades, scrapers, abrasive or similar tools be used on any surfaces

Where there is a glass gusset brace / shelf installed, weight restriction of no more than 2kgs.

#### Mirrors:

We recommend using NFK Glass Cleaner. Follow directions as outlined on the product.

#### Sliding Robe Doors:

For mirrored insert robe doors, we recommend using NFK Glass Cleaner. Follow directions as outlined on the product.

For vinyl insert robe doors, these can be wiped down with a damp microfibre cloth

Ensure bottom robe tracks are kept clean and clear of any grit that can cause damage to the rollers

Under no circumstances should harsh cleaners, alkaline solutions, blades, scrapers, abrasive or similar tools be used on any surfaces

All products are manufactured and installed in accordance with Civic Shower Screens & Wardrobes' recommendations.

Kind Regards
