GENERAL CARE & MAINTENANCE PROCEDURES

SPILLS

With any accidental spills on doors or panels, immediate action is always required. Wipe them to avoid the surfaces from coming in contact with high levels of moisture.

While avoiding moisture contact to the product, it is also vitally important not to expose doors and panels to humidity or steam.

STAINS

If stains are not removed by a soft cloth dampened with warm water, try using windex or methylated spirits on a soft cloth. You may also use a mild household spray cleaner with a soft cloth and avoid heavy application and rubbing too excessively. Always read the recommendations on the cleaning products prior to use.

STREAKS

Marks similar to streaks may occur on the surface after cleaning, particularly in the darker colours. If this has happened, use a soft cloth with windex, once again, not pressing too hard.

DO NOT USE

It is extremely important NOT to use the following products on doors and panels: abrasive cleaners, scouring pads, highly acidic or caustic cleaners, turpentine, solvents or acetone.

Please see manufactures care and maintenance guide for further instructions.

DECORATIVE doors & panels / Care & Maintenance

Decorative doors & panels are manufactured from the highest quality materials and designed to provide years of trouble free service.

Whilst your doors are made from a Moisture Resistant Medium Density Fibreboard (MR MDF) and as with any wood based panel cannot be made totally waterproof, care should be taken to wipe up spills immediately, ensuring the doors are not exposed to high or continuous levels of moisture, steam and humidity.

GENERAL CLEANING

Step 1

Wipe down using a damp soft cloth containing warm soapy water, followed by drying using a soft or microfibre cloth so as not to leave any residue on the door or panel. If this is sufficient there is no need for any further action.

Step 2

For more stubborn stains, use a good quality streak free glass cleaner as per the manufacturers recommendation. You may also use Methylated Spirit on a soft cloth, using a circular cleaning motion being careful not to rub too hard.

Step 3

Repeat step 1 - Wipe down using a damp soft cloth containing warm soapy water, followed by drying using a soft or microfibre cloth so as not to leave any residue on the door or panel.

Always ensure that you refer to the recommendations provided by the cleaning product manufacturer before use.

To ensure that your **polytec** warranty will not be void, DO NOT use any of the following on **polytec** Decorative doors & panels: Commercial Cleaning Products, Abrasive Cleaners, Scouring Pads or Abrasive Papers, Acids and Alkalis, Solvents, Thinners, Turpentine (Turps), Ammonia, Bleach, Acetone, Easy-Off BAM!, M.E.K. or any other cleaning agents containing organic solvents or the above mentioned products.

Avoid contact with sharp implements. Use range hoods whenever cooking, to avoid steam and cooking oil vapours from adversely affecting surfaces.

Please note: **polytec** provide a limited seven (7) year warranty on all door products which ensures against design, workmanship and manufacturing defects. If you detect any problems with your doors, **polytec** must be notified within seven (7) years from the date your doors were manufactured. Failure to follow the above care instructions may result in damage to your doors and void your entitlement to the warranty. **polytec**'s warranty does not cover wear and tear.

For more information refer to the **polytec** Products Limited Warranty Terms & Conditions document.

The protective film on your doors, panels and benchtops must be removed within three months of installation.

STECAWOOD prefinished decorative battens / Care & Maintenance

Steccawood decorative batten products are manufactured in Australia using the highest quality materials and designed to provide years of trouble free service. Whilst your battens are made from a Moisture Resistant Medium Density Fibreboard (MR MDF) and as with any wood based panel cannot be made totally waterproof, care should be taken to wipe up spills immediately, ensuring the battens are not exposed to high or continuous levels of moisture, steam and humidity. Adhesive materials such as sticky tape, masking tape, or any sticky material may cause damage to the Steccawood decorative paper overlay when applied directly to the surface.

GENERAL CLEANING

Using a mild household spray wipe down the surface with a soft cloth. Dry using a soft cloth so as not to leave any cleaning solutions on the surface.

Always ensure that you refer to the recommendations provided by the cleaning product manufacturer before use.

To ensure that your **polytec** warranty will not be void, **DO NOT** use any of the following on **polytec** Steccawood decorative battens: Commercial Cleaning Products, Abrasive Cleaners, Scouring Pads or Abrasive Papers, Acids and Alkalis, Solvents, Thinners, Turpentine (Turps), Ammonia, Bleach, Acetone, Easy-Off BAM!, M.E.K. or any other cleaning agents containing organic solvents or the above mentioned products. Avoid contact with sharp implements.

Where products are installed in a kitchen environment use range hoods whenever cooking, to avoid steam and cooking oil vapours from adversely effecting surfaces. Failure to follow the above care instructions may result in damage to your Steccawood product and void your entitlement to any warranty.

Please note: **polytec** provide a limited seven (7) year warranty on all Steccawood decorative batten products which ensures against design, workmanship and manufacturing defects. If you detect any problems with your product, **polytec** must be notified within seven (7) years from the date your decorative batten was manufactured. Failure to follow the above care instructions may result in damage to your decorative batten and void your entitlement to the warranty. **polytec's** warranty does not cover wear and tear.

COMPACT laminate / Care & Maintenance

The surface of **polytec**'s Compact laminate is made from a stain-resistant melamine based resin. The toughness and high impermeability of this surface means that **polytec**'s Compact laminate should require no more than wiping with a soft cloth, dampened with plain water or a household detergent mix to remove all common household spills.

GENERAL CLEANING

Using a mild household spray wipe down the Compact laminate with a soft cloth. Dry using a soft cloth so as not to leave any cleaning solutions on the surface.

You may also use Methylated Spirit on a soft cloth using a circular cleaning motion. Thoroughly clean over the wider area with water and detergent on a damp cloth afterwards to remove any residual Methylated Spirit.

Always ensure that you refer to the recommendations provided by the cleaning product manufacturer before use.

To ensure that your **polytec** warranty will not be void, **DO NOT** use any of the following on **polytec** Compact laminate: Commercial Cleaning Products, Abrasive Cleaners, Scouring Pads or Abrasive Papers, Solvents, Thinners, Turpentine (Turps), Ammonia, Bleach, Acetone, Easy-Off BAM!, M.E.K. or any other cleaning agents containing organic solvents or the above mentioned products.

Please note: **polytec** provide a limited ten (10) year warranty on all Compact laminate products and a limited ten (10) year warranty on Compact laminate table tops which ensures against design, workmanship and manufacturing defects. If you detect any problems with your Compact laminate, **polytec** must be notified within ten (10) years from the date your Compact product was manufactured. Failure to follow the above care instructions may result in damage to your Compact product and void your entitlement to the warranty. **polytec**'s warranty does not cover wear and tear.

A claim must be made within the Warranty Period. The Warranty does not cover any defects not notified to **polytec** within the Warranty Period, although you may have statutory rights outside of the Warranty Period.

1. **This Warranty only applies to polytec products expressly stated in Table 1.**
 - a) that are sold by **polytec** or any of its approved suppliers; and
 - b) that are purchased on or after 1 February 2024; and
 - c) for which the relevant Sales Order Number has been provided; and
 - d) that have been paid in full; and
 - e) have remained installed at the location they were first installed.

2. In the event that a claim is made within the Warranty Period and it is established to **polytec's** satisfaction that there is a manufacturing defect in the Product in breach of the Warranty, then **polytec** will, at its sole discretion, either provide replacement Product in a manner **polytec** considers reasonable, or, as elected by **polytec**, repair the Product at **polytec's** premises or on site.
3. What the Warranty does not cover – This Warranty does not extend to wear and tear, delamination or any damage, defects or failures within the Product which directly or indirectly arise from or are due to, but not limited to:
 - a) **Water damage** – Including damage from steam, excessive moisture; or
 - b) **Heat damage** – From placing hot pans, pots or similar hot objects directly on the surface of the Product, including damage consisting of cracks in and scorching of the Product; or
 - c) **Heavy weight or impact damage** – Placing heavy objects on the Product; applying substantial weight to the Product, including by standing, sitting or lying on the Product; or applying excessive impact to or mishandling the Product, including the impact caused by objects scraped along, thrown or dropped on the product's surface; or
 - d) **Acidic food products and chemical damage** – Exposing the Product to acidic food products such as salt, vinegar, tea and citric fruit juice; or Chemical damage - Exposing the Product to acidic or corrosive materials, cosmetics and chemicals such as dyes, solvents, bleach, inks, acetone, denture cleaner and photo developing fluid; or
 - e) **Using inappropriate household cleaning products** – DO NOT USE abrasive cream or powder cleansers, furniture polish/wax/powder; oven cleaner, drain cleaners, sugar soap and strongly alkaline or acidic cleaners; or
 - f) Failure to clean as recommended – You must follow cleaning instructions set out in our Care & Maintenance guides found at www.polytec.com.au; or
 - g) **Structural or support changes** – Changes affecting the building or application where the product has been installed, causing twisting, warping, bowing, cupping or shrinkage of the Product, including movements caused by hydrostatic pressure resulting in the expansion or contraction of the cabinetry or other structure on which the Product is installed; or
 - h) **Incorrect installation** – All polytec Products must be installed meeting the Australian/New Zealand Domestic kitchen standards (AS/NZS 4386:2 1996); failure to install correctly, including; not following the recommended fabrication and installation instructions and use of the product with inappropriate cabinetry or other structures; and extending to delamination, swelling and surface bubbling where you or your supplier have applied your own adhesive; or
 - i) **Unauthorised modifications** – Any modifications or work to the product by any person other than polytec approved suppliers; or
 - j) **Inappropriate use** – Including use of the Product outdoors or in any way which exposes the Product to UV (exposure to direct sunlight) or consistent environmental forces that could affect the Product; or
 - k) **Inadequate maintenance** – Including failure to follow procedures or recommendations set out in the manufacturer's Care and Maintenance Guides, which are available on polytec's website.
 - l) **Other specified causes** – Any other causes specified in the Product information as being excluded from this Warranty.
 - m) **Colour and gloss variations** – Any variations with the colour or gloss within the Product including any replacement product, or any aging or fading of colour, shine or gloss level over time; or
 - n) **Imperfections** – Any visual imperfections or blemishes in the surface and edges of the Product in excess of accepted industry standards, including pimples, dimples, dents, creases, cracks, cuts, marks, chips, scratches and surface irregularities which are not brought to your supplier's attention at the time you inspected the Product or at any other time before the product is cut or modified in any way; or

Limited Warranty Terms & Conditions

- o) **Bowing** – The inherent properties of the fibre core of Compact Laminate and low pressure melamine board can incur slight bowing, this naturally occurs in fibre based panel products and is not covered by warranty if within the acceptable tolerance outlined in the polytec technical data sheets.
- p) **Modification** – Any modifications to Thermolaminated Products such as cutting that results in the structural integrity being compromised.

To the maximum extent permissible by law, polytec will not be liable for consequential loss or damage whatsoever and however arising out of or in connection with the supply, performance or removal of the Product, including but not limited to, any indirect or consequential loss (including, without limitation, loss of profit, loss of revenue, loss of contract, loss of goodwill or increased cost of workings) even if due to the negligence of polytec or any of its approved suppliers, employees or agents.

4. **Validity** – This Warranty becomes valid only when polytec has been paid in full for all products used. This Warranty is valid from the date of payment in full, Warranty Period does not recommence if a Warranty claim is made. In this case the original warranty commencement date remains and the Warranty Period is determined from this date.
5. **Statutory Warranties** – This Warranty certificate and other statements contained in this document or other documents given to you do not exclude, restrict or modify the application of any term implied into this Warranty by statute, provided that (to the extent any statutory provision permits polytec to limit its liability for a breach of an implied condition or Warranty) polytec's liability for such breach is limited to the payment of the cost of replacing the Product or acquiring an equivalent Product or repairing the Product.
6. **Limitations** – The obligations of polytec under this Warranty are limited to those set out in this document. However, this Warranty is in addition to your rights and remedies under laws relating to the Products.
7. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
8. **Cost claim** - polytec will be liable for the cost of the replacement polytec Product at the subject of this Warranty for the Warranty Period. All other costs will be the claiming party's responsibility.
9. **Inquiries** – Any inquiries into this Warranty should be sent to:

EvenexTM

Evenex™— unrivalled wood, concrete, metal and stone look and feel in an environmentally friendly Australian made panel.

Unlike regular laminates, vinyls and CPLs, the Evenex face contains no formaldehyde, PVC or melamine, making it the perfect choice for use in spaces where air quality, is a priority such as: caravans, Greenstar, education, health, child and aged care projects, in fact any area sensitive to the polluting impact of interior products will appreciate its FSC® certification, E0 formaldehyde and resistance to mould and micro-organisms.

Made with pure wood fibre, printed with a synchronised texture, Evenex has a polished finish like timber veneer making it ideal for interior vertical surfaces in residential and commercial applications; kitchens, bathrooms, laundries, wardrobes, furniture, doors and wall panelling all benefit from its realistic appearance, tactility and value for money.

Panels are available in a variety of sizes and thicknesses and offered with a range of matching ABS edging.

ADVANTAGES

Looks and feels like the real thing.

Synchronised pattern and texture bestows a 3D realism.

A wood derivative it is the perfect alternative to real wood.

Economical

No formaldehyde, PVC or melamine, it is an eco-laminate.

Resistant to damp, mould and microorganisms.

Sustainably sourced, FSC certified and recyclable.

Matching ABS edging.

TECHNICAL

Note—Other sizes/thickness on application

CLPL

CLPL® is a new technology for achieving a realistic timber, concrete, metal or stone look. The principal advantages of CLPL® (continuous low pressure laminate) over traditional CPL (continuous pressed laminate) are:

- Printing inks do not contain heavy metals.
- Impregnation process is not a bath (as in CPL production) but via direct contact thereby retaining the clarity of the image.
- Synchronised grain impression produces a 3D effect that replicates real wood, etc.
- No added formaldehyde.
- No colour difference between flat and curved or profiled details, eg, the same laminate can be used for door mouldings and door panel.
- Under lateral impact, it deforms in an elastic way without cracking.

Material Handling

Evenex panels should be treated with special care, avoid leaning panels against walls or other surfaces, this will cause bowing of the product. When stacking be sure to place on a flat surface, face to face, this will keep the product in its optimal condition, also be sure not to drag panels across each other as this will cause scratches and damage the surface. To achieve the clear and lifelike surface, Evenex panels do not have a melamine surface but rather a lacquered surface and therefore have lower resistance to surface wear and scratching than melamine impregnated laminates. Evenex is recommended for interior, vertical applications.

ENVIRONMENT

Our unique, patented Evenex manufacturing technology CLPL® offers high technical performance and low polluting impact.

Evenex CLPL® is completely without formaldehyde and provides an excellent barrier against formaldehyde emission from particleboard, MDF etc, in addition it contains no heavy metals, PVC or melamine and in combustion it does not produce toxic or corrosive gases.

Unlike traditional melamine laminated panels Evenex, being made of wood fibre, can be easily recycled along with the board it is pressed to.

Evenex is available with FSC® certification on request. FSC® is an internationally recognised body that certifies timber products produced in a sustainable manner, with a stringent traceability system that verifies the path taken by certified raw material throughout all stages of processing, manufacturing and distribution.

Elton Group Pty Ltd Terms & Conditions of Sale

1. Definitions & Interpretation

In this document, unless the context otherwise requires:
'Company' means ELTON GROUP PTY LTD ABN 59 099 878 878; **'Consignment Goods'** means any items from the Company range placed with the Purchaser by the Company on consignment;
'Deposit' means a deposit specified in a Sales Order Confirmation or a Tax Invoice; **'Event of Default'** occurs when the Purchaser becomes insolvent, commits any act of bankruptcy, makes an assignment for the benefit of creditors, is wound up, has an administrator, liquidator or provisional liquidator appointed, makes any arrangement or compromise with its creditors, is placed under official management or has a receiver appointed to the whole or any part of its assets or property;
'Goods' means any items from the Company product range the subject of a Sales Order Confirmation or Tax Invoice; **'Price'** means the total order value specified in a Pro Forma Invoice, a Tax Invoice (where only one Tax Invoice is issued for an order) or Tax Invoices (where two or more invoices are issued in regard to an order); **'Purchaser'** means that person, firm, company or body specified on an invoice and where it has done so as trustee then in its own right and in its capacity as trustee; **'Sales Order Confirmation'** means a confirmation of an order received from a Purchaser which constitutes a pro forma invoice issued by the Company to the Purchaser relating to the proposed purchase by the Purchaser of the Goods from the Company that is not a Tax Invoice;
'Sold Goods' means any items from the Company product range purchased by the Purchaser from the Company; **'Tax Invoice'** means a commercial invoice rendered by the Company to the Purchaser, and **headings** are for convenience only and shall not affect the interpretation of this document.

2. Sales Order Confirmations & Tax Invoices

Upon receipt of an order for Goods from the Purchaser:
 2.1 The Company may elect to issue a Sales Order Confirmation which will constitute confirmation of that order on the terms and conditions set out in that invoice and in these terms and conditions of sale and which will negate the terms and conditions forming part of any purchase order submitted to the Company by the Purchaser.
 2.2 Upon receipt by the Company of written acceptance of the Sales Order Confirmation ('**Acceptance**') and/or upon receipt of the deposit specified in the Sales Order Confirmation a binding agreement for sale of the Goods will arise subject to the terms and conditions set out in that invoice and in these terms and conditions of sale. Payment of the Deposit will be deemed to be acceptance of the terms of the Sales Order Confirmation and these terms and conditions of sale.
 2.3 The prices specified in the Sales Order Confirmation remain fixed for 7 days from the date of issue of the Sales Order Confirmation.
 2.4 The Purchaser acknowledges and agrees that the Price specified in a Sales Order Confirmation may vary from a Price specified in a Tax Invoice or Tax Invoices arising from the same order as a result of adjustments to reflect any volumetric or quantity difference between volumes specified in the Sales Order Confirmation and those received from the Company's supplier in satisfaction of the order placed with that supplier for the Goods together with any changes in freight or insurance rates and any credit card surcharge due.
 2.5 Subsequent to issue of a Sales Order Confirmation a Tax Invoice (or at the discretion of the Company) Tax Invoices for the Goods will be issued by the Company to the Purchaser and delivery will be subject to payment of the balance due under that Tax Invoice or those Tax Invoices in full prior to delivery.
 2.6 The parties acknowledge that a Sales Order Confirmation is a pro forma invoice and does not constitute a Tax Invoice for GST or income tax purposes.
 2.7 Should the Purchaser subsequently issue a Sales Order Confirmation and payment of the Deposit specified in that Sales Order Confirmation but prior to the issue of a Tax Invoice default under the agreement arising under this clause the Purchaser will forfeit any deposit.
 2.8 Should the Company elect not to issue a Sales Order Confirmation then upon receipt of an order for the Goods from the Purchaser the Company may issue a Tax Invoice for the Price or Tax Invoices for the Deposit and the balance totalling the Price.
 2.9 Where a Sales Order Confirmation has not been issued then issue of a Tax Invoice or Tax Invoices and receipt of the Deposit or receipt of a bank guarantee securing the total due on a Tax Invoice in a form acceptable to the Company ('**Bank Guarantee**') will constitute confirmation of that order and acceptance of the terms and conditions set out therein and in these terms and conditions and which will negate the terms and conditions forming part of any purchase order submitted to the Company by the Purchaser.

3. Delivery, Freight & Risk

3.1 Sold Goods shall be at the risk of the Purchaser from the date of issue of a Tax Invoice for the Goods by the Company. Consignment Goods will remain at the risk of the Company until sold by the Purchaser.
 3.2 The Company shall deliver the Goods to the Purchaser at the address supplied by the Purchaser subject to receipt of payment as required by the Company of any amount outstanding under a Tax Invoice for the Goods. Freight costs will be borne by the Purchaser.
 3.3 The Company shall not be obliged to deliver any Goods should the Purchaser be in default of payment in respect of any Goods previously delivered.
 3.4 The Company's weights and measurements shall be conclusive evidence of the quantities of Goods delivered to the Purchaser. No complaint or claim on the part of the Purchaser with regard to quantity of Goods delivered shall be admissible unless made to the Company or its representative and noted on the delivery receipt at the time of delivery and confirmed in writing received by the Supplier within ten (10) days after delivery.
 3.5 Where the Goods are to be manufactured in Australia against an order, delivery will normally be within 6 weeks of issue of a Pro Forma Invoice and payment of the Deposit. Where Goods are imported to order delivery will normally be within 12 weeks of issue of a Pro Forma Invoice and payment of the Deposit.
 3.6 The Company may delay or cancel delivery or reduce the amount delivered if the Company is delayed in delivering or cannot deliver the Goods through circumstances beyond its reasonable control.
 3.7 By acceptance of a Sales Order Confirmation and/or upon issue of a Tax Invoice or Tax Invoices the Purchaser agrees to be bound by these terms and conditions of sale. The Purchaser also acknowledges and accepts the product installation, fabrication and handling stipulations for the Goods detailed on the Company website at www.eltongroup.com.

4. Reservation of Title & Personal Property Securities Act

4.1 Until payment has been made in full ownership of Sold Goods shall remain with the Company.
 4.2 Until payment for Sold Goods has been made in full the relationship between the parties shall be fiduciary and the Purchaser shall hold Sold Goods as bailee for the Company.
 4.3 The Purchaser shall not dispose or otherwise deal with the Sold Goods until payment has been made other than by sale in the ordinary course of its business in which case the Purchaser shall hold all proceeds of such sale on trust for the Company and, if required, in an account opened in the Company's name. In such case the Purchaser shall, if required, assign to the Company any rights to monies outstanding in respect of such sales.
 4.4 The Purchaser grants to the Company a purchase money security interest, as defined in the Personal Property Securities Act 2009 ('**PPSA**'), in the Goods delivered from time to time by the Company to the Purchaser (whether Consignment Goods or Sold Goods) and any proceeds of sale of the Goods so delivered ('**PMSI**') to secure the Company's Price for those Goods.
 4.5 The cost of registering a financing statement will be paid by the Purchaser.
 4.6 The Purchaser agrees not to do or to permit anything to be done that may result in the PMSI granted to the Company ranking in priority behind any other security interest.
 4.7 The Purchaser will take such further steps which may reasonably be required by the Company to take further or better security under the PPSA in respect of the Goods and the proceeds of sale of those Goods or to maintain the effectiveness or priority of any security interest under the PPSA.
 4.8 The Purchaser hereby waives the right to receive notice of a verification statement from the Company notifying the registration of the security interest under the PPSA.
 4.9 In these Terms and Conditions the following words have the respective meanings given to them in the PPSA: purchase money security interest, secured party, register, registration, financing statement, security interest and verification statement.

5. Manner of Payment

5.1 Payment for all Sold Goods and Consignment Goods must be made in accordance with the terms of each Sales Order Confirmation, Tax Invoice, or Tax Invoices and except where otherwise agreed in writing the Company is not obliged to process an order or initiate shipment until either the invoice is or invoices are paid in full, the Company has received payment of the Deposit or where the Company has received a Bank Guarantee securing the total due Payment will be deemed not to have been made until the funds therefor have been cleared by the Company's bankers.
 5.2 The Purchaser shall pay interest upon any amounts due but unpaid at the rate of three per centum (3%) per annum over current National Australia Bank overdraft interest rates, such interest to be calculated on a monthly basis.

6. Cancellation & Return

6.1 Where the Goods comprise of items manufactured and/or imported specifically to the order of the Customer ('made to order Goods') the Company shall not be obliged to (but may at its discretion and on the conditions nominated by it before it will do so) accept the cancellation of such an order or accept the return of the Goods (other than as may be agreed pursuant to Clause 9).
 6.2 Where the Purchaser fails to pay the balance specified in a Sales Order Confirmation, a Tax Invoice or Tax Invoices, within the time specified, where the Purchaser wishes to cancel any order for Goods prior to their dispatch or where there is an Event of Default after issue of a Sales Order Confirmation or prior to payment of a Tax Invoice or Tax Invoices in full, the Purchaser shall pay to the Company a cancellation fee of fifty per centum (50%) of the Price by means of any of the following:
 6.2.1. *forfeiture of any Deposit;*
 6.2.2. *claim against a bank guarantee provided by the Purchaser's bank; or,*
 6.2.3. *upon demand for the cancellation fee or any part not otherwise paid.*

6.3 The Purchaser acknowledges that in the event of cancellation of an order the cancellation fee constitutes a genuine pre-estimate of the Company's loss. The Company has agreed to enter this agreement only on the basis that the Purchaser has in turn agreed to so compensate the Company in the event of cancellation.

7. Force Majeure

The Company shall not be liable for any losses occasioned by any cause that is not within its control and where within its control that is not able to be avoided by the exercise of reasonable diligence.

8. Warranties, Exclusions & Limitations

8.1 Subject to this clause Goods are warranted to be free from defects in workmanship and materials for a period of seven years from the date of issue of a Tax Invoice by the Company for the Goods.
 8.2 Provisions of the Competition and Consumer Act 2010 (as amended) and other statutes from time to time in force which apply to this agreement may imply warranties or conditions or impose obligations upon the Company which cannot be excluded, restricted or modified except to a limited extent. This agreement must be read and construed subject to any such statutory provisions. If any such statutory provisions apply, then to the extent to which the Company is entitled to do so its liability under those statutory provisions shall be limited at the option of the Company to:
 8.2.1. the replacement of Goods or the supply of an equivalent;
 8.2.2. the payment of the cost of replacing Goods or of acquiring an equivalent;
 8.2.3. the payment of the cost of having Goods repaired; or
 8.2.4. the repair of Goods.
 8.3 Subject to sub-clause 8.1, all conditions and warranties, express or implied, whether arising by statute or otherwise, as to the condition, suitability, capacity, quality, design, fitness for any purpose, safety of or title to Goods are hereby negated and excluded to the full extent permitted by law.
 8.4 Subject to sub-clause 8.1, the Company hereby excludes all liability for any loss, damage, death or injury of any kind whatsoever occasioned by the Purchaser in respect of the supply of Goods including direct, indirect, consequential or inconsequential loss, damage or injury of any kind whether due to the negligence of the Company or otherwise.
 8.5 This warranty does not apply to damage resulting from faulty or incorrect installation or handling once delivered and/or incorrect finishing, application of incorrect chemicals, accident, alteration, misuse, tampering, negligence, abuse or wear and tear, use of incorrect or non-approved glues and/or primers (where applicable) and/or application to unsuitable substrate or failure to adequately prime substrate surface (where applicable).
 8.6 Neither colour variation or inconsistency in different logs or blocks, colour change or damage due to exposure to direct or indirect light, heat and/or reaction to glues nor failure to finish surfaces adequately are considered defects. Exposure to direct sunlight should be avoided. The Company does not warrant product colour and consistency in these circumstances.
 8.7 Failure to comply with the installation instructions, requirements, recommendations guidelines posted on the Company's website (www.eltongroup.com) on the page(s) relating to the product range of which the Goods form part and incorrect fabrication and handling will not be considered a defect or defects.
 8.8 The Company excludes all liability for loss or damage arising from installation of the Goods by any installation contractor recommended by the Company. The Purchaser agrees to conduct its own due diligence into any referred contractor and to accept full responsibility for its own choice of contractor.
 8.9 The Company will use its best endeavours to pass on to the Customer the benefit of any warranties or guarantees it receives from its supplier in regard to the Goods.
 8.10 Where Goods comprise timber veneer, polished samples of timber veneer surfaces supplied are not warranted as representative of the finished article. Variation of colour, pattern or consistency of Goods compared with samples, displays or illustrations are not warranted.

9. Claim Procedure

9.1 The Purchaser shall upon delivery of the Goods but prior to unpacking any packed Goods notify the Company within 3 business days of any damage to the packing that may have resulted in damage to the Goods and shall request inspection by a Company representative prior to unpacking the Goods.
 9.2 The Purchaser shall notify the Company within fourteen (14) days of delivery of any claim it may wish to make pursuant to the preceding clause and shall request immediate inspection of the Goods by a Company representative.
 9.3 Where notices are not received by the Company within those time limits the Purchaser shall be deemed to have accepted the Goods and any claim will only be accepted at the discretion of the Company. No claim whatsoever will in any event be accepted once Goods have been installed save in regard to the production defects warranty in Clause 8.1.
 9.4 Until the claim is accepted or denied by the Company the Purchaser shall retain possession of the Goods.

10. Proper Law

This agreement and the rights, liabilities and obligations of the parties shall be governed by and construed in accordance with the laws of the State of Victoria and the parties hereby submit to the jurisdiction of the Courts of such State.

11. Entire Agreement

These terms and conditions comprise the whole of the agreement between the parties with respect to the sale of the Goods.

12. Severance

If any provision of this agreement should be held to be void or unenforceable, it shall be severed and such severance shall not affect any other provision.

13. No Waiver

No failure to exercise or delay in exercising any right or remedy on the part of the Company shall operate as a waiver nor shall any exercise or partial exercise of any right or remedy preclude any further exercise of any such right or remedy.

14. GST

If Goods and Services Tax ('GST') is imposed on any supply made by the Company to the Purchaser, the Purchaser must pay, in addition to any consideration for the supply, an additional amount calculated by multiplying the prevailing GST rate by that consideration.

15. Indemnity

The Purchaser hereby indemnifies the Company against any claims, losses, costs, damages, liabilities, fines, penalties and expenses ('claims') incurred or sustained arising out of or in connection with the delivery of the Goods to the Purchaser from the sale, possession, maintenance, use or operation of the Goods by the Purchaser or from any failure of the Goods whether defective or not, except to the extent the claims arise from the negligence or wrongful act of the Company. The Purchaser accepts all risks and liabilities for consequences arising from the use or sale of the Goods.

16. Consignment Goods

16.1 The Company may in its sole discretion agree to place Consignment Goods with the Purchaser upon receipt of a written order from the Purchaser in a form acceptable to the Company.
 16.2 All Consignment Goods whether in transit or held in the Purchaser's nominated warehouse(s) remain the property of the Company until sold by the Purchaser.
 16.3 The Company agrees that the Purchaser is entitled to sell Consignment Goods in the ordinary course of the Purchaser's business to bona fide third party purchasers and that immediately prior to the time of sale by the Purchaser to a bona fide third party customer of the Purchaser (Purchaser's Customer) all property and title in that stock will be deemed to pass first to the Distributor and then in turn to the Purchaser's Customer free of any claims or encumbrances. A sale by the Purchaser to the Purchaser's Customer will occur upon the issue by the Purchaser of a Tax Invoice to the Purchaser's Customer.
 16.4 Within two business days of the end of each month the Purchaser will generate and provide to the Company a report of Consignment Goods sold to the Purchaser's Customers (in a format acceptable to the Company) during the immediately preceding month and the Company will render a Tax Invoice to the Purchaser for Consignment Goods sold during that month.
 16.5 The Purchaser will maintain proper records and accounts of all transactions relating to dealings with Consignment Goods and make available such records and accounts for inspection by the Company on reasonable notice.
 16.6 Should the Company request in writing giving no less than two business days notice that the Company wishes to undertake a stocktake of all Consignment Goods held by the Purchaser then the Purchaser will do all such things as shall be reasonably necessary to allow the Company to undertake that stocktake in a timely manner which will be undertaken during business hours.
 16.7 All Consignment Goods will be held by the Purchaser in the Purchaser's nominated warehouse until the Purchaser delivers same to a Purchaser's Customer.

Hettich Cabinet Hinge - Care & Maintenance Guide

DOOR ADJUSTMENT

Hettich slide-on hinges offer all the benefits of three-dimensional adjustability (vertical, lateral and depth) to get doors perfectly angled.

Vertical Adjustment: To adjust one of the doors up or down, loosen all four of the vertical alignment screws (two per hinge). Gently slide the door up or down to the desired position and tighten the screws.

Lateral Adjustment: To adjust one of the doors side-to-side, turn both of the horizontal alignment screws (one per hinge) in the same direction. Adjustment left or right will vary depending on which door you are adjusting.

Rotational Adjustment: To rotate a door, turn the horizontal alignment screw in one direction for the top hinge, and in the opposite direction for the bottom hinge. Adjustment clockwise or counter-clockwise will vary depending on which door you are adjusting.

Depth Adjustment: To adjust a door in and out, loosen the depth alignment screws, then move the door to the desired position and tighten the screw.

HÄFELE LIMITED LIFETIME WARRANTY

Häfele Australia Pty Ltd ACN 006 021 432 (Häfele Australia), warrants all its products subject to the Conditions of Sale, accessible on the Häfele website at www.hafele.com.au.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Where a failure does not amount to a major failure, Häfele will provide, at Häfele's option, a repair, replacement or refund for the hardware component of. If a product or component is no longer available and cannot be repaired, Häfele will, in its absolute discretion, replace the product with a substitute item.

Häfele Australia provides a lifetime warranty on hardware components, with some exceptions for specific product lines that carry their own express warranties:

No claim under this Warranty will be accepted for slight discrepancies from specifications, which are immaterial to the value and usability of the products, damage due to the chemical and electrochemical effects of water or generally inappropriate use or environmental conditions.

This Warranty operates under the following conditions:

1. Any parts replaced become the property of Häfele Australia;
2. The warranty expires if unauthorised persons repair or interfere with the products, or if the products are fitted with supplementary parts or accessories that are not suited;
3. Repairs under this Warranty do not extend the warranty period and do not initiate a new warranty period and the warranty period for any replacement parts fitted ends together with the warranty for the entire product;
4. The warranty is transferrable for the period outlined under the product's express warranty.

To claim under this Warranty simply visit the supplier from which you purchased your Häfele hardware component, along with proof of purchase and documentary evidence of the fault. Such evidence may include photographs, statutory declarations, receipts or reports, depending on the loss or damage. Häfele will not be responsible for any costs incurred by the purchaser in bringing the product and/or evidence of the fault to the store.

The benefits to the purchaser given by this manufacturer's Warranty are in addition to all rights and remedies conveyed by the Competition and Consumer Act 2010 (Commonwealth) and any other statutory rights to which the purchaser may already be entitled, and this Warranty does not exclude, restrict or modify any such rights or remedies implied by law.

Häfele will not, under this Warranty, be responsible for consequential damages (such as loss of use) inconvenience, loss or damage to personal property, whether direct, indirect or economic and whether arising in contract or tort. Under this Warranty Häfele's responsibility shall not exceed the purchase price of the component or its replacement.

No other express warranty or representation has been made or will be made on behalf of Häfele with respect to its hardware components, or the operation, repair or replacement of those components. No representative of Häfele or its distributors or retailers are authorised to make any changes or modifications to this Warranty.

Warranty

Guardian UltraMirror® Limited Warranty

Guardian warrants, to its immediate customer only, that Guardian's UltraMirror products (the "Product") will not contain manufacturing defects resulting in discoloration, black spots, or clouding of the silver film that materially obstructs the mirror image in the vision area for ten (10) years from the date of original Product shipment by Guardian. This warranty applies only to UltraMirror products and not to Guardian's standard mirror products.

Guardian is not responsible for any warranties that its customer provides to subsequent customers or other end users of the Product.

To make a claim under this Limited Warranty, Guardian's customer must (a) notify Guardian of any alleged defect promptly in writing at the plant from which the purchase was made (see www.guardian.com for plant locations) and (b) provide Guardian an opportunity to inspect the Product before its removal from any end product or installation/glazing system. If a Product fails to conform to this Limited Warranty, Guardian's liability is limited, at Guardian's exclusive option, to Guardian replacing the Product without charge at the original point of delivery or, in the alternative, refunding 100% of the original net selling price to its customer. This Limited Warranty does not cover labor or any other replacement, installation, or fabrication costs. The warranty period for any replacement Product supplied under this Limited Warranty extends only to the remaining warranty period on the original Product.

CONDITIONS THAT WILL VOID THIS LIMITED WARRANTY

1. The Product is broken or fractured.
2. The Product is stored, processed, installed, cleaned, or otherwise handled contrary to Guardian's written instructions and published User's Guides, Product Application Notes, or other guidelines, which are incorporated by reference into this Limited Warranty, or to applicable industry standards.
3. The Product is discarded or destroyed before reasonable opportunity for inspection by Guardian.
4. The Product is damaged not due to any fault of Guardian, including for example by abnormal weather conditions; faulty installation, building construction or building design; exposure to acids, alkalis, or incompatible cleaning materials such as corrosive or abrasive compounds; or contact with abrasive items.

EXCEPT FOR THE EXPRESS LIMITED WARRANTY DESCRIBED ABOVE, THERE ARE NO EXPRESS OR IMPLIED WARRANTIES OF ANY KIND AND THERE ARE NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE PRODUCT OR ANY PART OR COMPONENT THEREOF AND NO WARRANTY SHALL BE IMPLIED BY OPERATION OF LAW OR OTHERWISE. IN NO EVENT SHALL GUARDIAN BE LIABLE TO ANY PERSON OR ENTITY FOR INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OR CHARGES FOR ANY REASON, EVEN IF SUCH DAMAGES OR CHARGES ARE FORESEEABLE OR GUARDIAN HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR CHARGES.

No variation or change from this Limited Warranty will be binding upon Guardian Glass, LLC unless made in writing specifically referencing this Limited Warranty and signed by an officer of Guardian Glass, LLC.

Guardian UltraMirror™

Copper-Free Mirror

See what's possible™

As the world's largest mirror producer, Guardian uses the latest technologies available to manufacture beautifully reflective mirrors that have proven to be durable and long lasting. Using a patented process, Guardian produces UltraMirror copper-free mirrors with outstanding technical properties, far exceeding today's toughest industry standards. UltraMirror is proven to be superior to conventional mirrors in all accelerated tests including: CASS (copper accelerated salt spray), humidity, salt fog, ferric chloride and ammonia tests.

INDUSTRY LEADING WARRANTY

Guardian UltraMirror is covered by a written limited warranty against defects in material and workmanship resulting in deterioration or clouding of the silver film for a period of ten years from date of manufacture.

CARE & MAINTENANCE

Clean with a soft, grit-free cloth using warm water. Do not use any acid, alkali or ammonia cleaners. Do not allow the mirror edges to remain wet. Good ventilation will keep mirrors from "sweating" and creating condensing liquids which can be corrosive and damaging to mirrors. Glazing guidelines, such as those presented in the Glass Association of North America Glazing Manual, should be followed to minimize installation problems.

- MD 01-0105 *Proper Procedures for Cleaning Flat Glass Mirrors*
- MD 02-0209 *Proper Procedures for Fabrication of Flat Glass Mirrors*
- MD 03-0811 *Installation Techniques Designed to Prolong Life of Flat Glass Mirrors*

TECHNICAL CONFORMANCES

Safety applications require conformance to the Consumer Product Safety Commission federal standard. 16 CFR 1201 regulates the use of glass and glass products in specified locations, such as doors, sidelights and shower enclosures. Guardian's float glass line produces input for mirror production that is Q1 quality per the ASTM C1036-11 (Standard Specification for Flat Glass), and in compliance with the following industry standards:

- ASTM C-1048 *Heat-Treated Glass*
- ASTM C-1036 *Flat Glass*
- ASTM C-1172 *Laminated Architectural Flat Glass*
- ASTM C-1503 *Silvered Flat Glass Mirrors*
- ANSI Z97.1 *"Safety Performance and Methods of Test for Safety Glazing Material Used in Buildings"*

APPLICATIONS

Guardian mirrors are available on clear glass from 2.3mm through 6.0mm, with the capability of producing gray or bronze colored mirrors by applying the mirror coating onto a colored substrate. Typical applications include wardrobe doors, bathroom mirrors, furniture, TV projection screens, display cases, vehicle mirrors, decorative walls, ceiling and pillar covers, exercise rooms and mirrors for dance studios. Guardian laminated mirrors provide the benefits of a safety glazing product with the distortion-free attributes of traditional laminated glass and are a good choice for outdoor applications.

INSTALLATION

Install with mechanical fasteners or incorporate a weep system with setting blocks into all J or C channel frame glazing systems. Setting blocks should not interfere with the proper operation of the weep system. Verify sealant compatibility by the sealant supplier. Provide

for minimum face and edge clearance, as well as nominal bite. Make proper allowance for mirror glass, metal and erection tolerance, plus expansion and contraction. Do not install mirror on freshly painted walls or plaster. Avoid use of rubberized mastics.

LIMITATIONS

The glazing contractor/installer is responsible for conducting appropriate sealant compatibility tests when installing mirrored glass. It is recommended that mechanical fasteners be used on all installations. Adhesives that release acetic acid or ammonia-like compounds while curing are not recommended for use, and mastics with sulphur compound must be avoided. Best results are obtained

with a factory or shop-cut edge, and field cutting should be avoided to minimize edge deterioration. Prolonged exposure to moisture, corrosive chemicals, solvents, solvent vapors and cleaning fluids will cause edge deterioration and silver spoilage. Weep system must be used for all J or C channel frame installations.

COMPOSITION & METHODS

Guardian mirrors are produced on the latest state-of-the-art equipment. A four-layer patented process to create copper-free mirrors involves an initial application of tin as a super sensitizer to the glass, followed by a layer of sensitizing palladium providing the ultimate foundation for silver-to-glass adhesion. A layer of silver is applied for reflectivity with a fourth layer of GMP to protect the silver. The mirror is further protected and encapsulated with organic paints, giving the mirror mechanical and chemical durability. Mirrors may be further fabricated, e.g., hole drilling, beveling and other edge preparation. Our quality systems registered to ISO-9001 ensure that Guardian provides lasting brilliance and durability.
